Discipleship/Evangelism. When is the last time you invited someone to go through First Steps with you? It's awesome. Make a friend, have great spiritual discussions, help her or him understand the Lord better and possibly come into a saving relationship with Jesus! If you're interested in being discipled or discipling another to love Jesus, fill out the get connected card or contact the church office at 322-5381.

Small Groups. Good friends, good fun, good fellowship, good food and much more good comes from being with people that love the Lord and are there for you. Why not give one a try. To get connected with a small group, fill out the get connected card or contact the church office at 322-5381.

Missionaries of Month Chris and Jodie Skinner of The Springfield House of Prayer (SHOP). Please pray for Fellowship's newest missionary family!

Outreach. Hospital/Homebound Ministry. A group of 10 are now visiting as a caring ministry. If you're interested, let us know! Fill out the get connected card or contact the church office at 322-5381.

As the people of Fellowship, our vision is to lead people to experience **new birth** in Christ, a **new life** in the Spirit, and a **new church** that is making impact worldwide and on the streets of Springfield. • In 2010 and 2011, our goal is to surrender to the call to be this kind of church, made up of this kind of people. In short, we want to use every avenue available to infect our city with Christ and "link" people to a vision of new birth, new life, and new church. • Fellowship Link* is a systematic and reproducible approach to fulfilling our vision/mission. We know you have questions and need answers; find more information at the Get Connected Center.
